The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

6. In all other classes entries must be made in the names of the producers or manufacturers only, and by such producers themselves in person or their agents, who must have special authority for doing so, and shall produce the authority in writing, if so required by the judges. Those who are not manufacturers or authorized agents may exhibit, but cannot compete for the prizes offered. If any person other than the authorized agent shall enter an article for competition as produced or manufactured by himself, when it has not really been so, he shall forfeit any premium which may be awarded the article, and be precluded from exhibiting in future.

7. A merchant who sells a line of goods which is also sold by other merchants cannot be considered as an agent for such goods.

8. No person will be allowed to enter for exhibition more than one specimen in any one Class or Section, unless the additional article be a distinct named variety or pattern from the first. This rule not to apply to animals, but to all kinds of grain, vegetable, produce, fruit, manufactured articles, &c., in which each additional specimen would necessarily be precisely similar to the first.

9. **Extra Entries.**—Every article must be entered under some one of the headings in the regular list when possible; but if any article is of a distinct character from anything specified in the list, it may be entered in the class with which it most nearly corresponds.

10. On the entry of each animal or article, a ticket will be furnished the exhibitor, specifying the class and section, and exhibitor's No., **which ticket must remain attached to the animal or article during the Exhibition.**

11. **Exhibitors are particularly requested not to put their names on entry tickets attached to their exhibits until after the judges have gone round and made their awards.**

12. All exhibitors intending to compete for any of the "specials" offered will please state so upon their entry.

13. In all cases the right is reserved to reject entirely or to accept conditionally any entry or application, and under no circumstances

will articles which are offensive by reason of their odor or appearance, or which are dangerous by reason of their combustible or explosive character, be admitted; and if any such be introduced by an exhibitor through misapprehension or otherwise, they may be removed by order of the Board of Directors.

14. Exhibitors shall, if required by the Directors, make a statutory declaration that the animals or articles exhibited by them are exhibited in accordance with the Rules and Regulations of the Association; and in case any exhibitor refuses to make such declaration on being requested, all premiums awarded him, her or them shall be forfeited.

15. *All persons who have sent in an entry to the Secretary in the usual way, with the necessary fees accompanying same, should such person or persons fail to make the exhibit through no fault of the Association, the entry fee in such case will be forfeited.*

12. **While the Directors of the Association agree to take every reasonable precaution to insure the safety of the articles sent to the Exhibition, yet it must be distinctly understood that the owners are required to assume all risk of exhibiting, and should any article be injured, lost or stolen, the Directors will render all assistance in their power for the restoration of the same, but will not recognize any claim for payment of the value of any portion thereof.**

13. At the close of the Exhibition, and at the hours appointed for the **withdrawal of exhibits, exhibitors are required to promptly take charge of same, and remove at their earliest convenience.**

14. Exhibitors desiring to retain their Prize Cards or Ribbons had better look after them, as no duplicates are issued.

2. **Commodious accommodation will be provided for horses,** cattle, sheep and pigs, from Friday, September 13th, to the close of the Exhibition, and water, and straw for bedding, without charge. Bedingfield & Co., at their office on the grounds, or at their store, 347 Wellington Street, Ottawa.

Any exhibitor or attendant refusing to comply with such order will forfeit his right to compete for or receive any premium which may have been awarded. The Superintendent will see that this rule is strictly enforced.**

5. Exhibitors with entries in competition for prizes failing to have the exhibits appear in the Judging Ring, when class is called, shall be at once excluded from all competitions in such class.

6. **All animals in the Live Stock classes must be bona fide** property of the exhibitor before the advertised closing date of entries, and if required by the Executive, the exhibitor shall produce satisfactory proofs of ownership.

7 Every animal entered for competition shall be under the control of the Committee, but the Association will in no case be responsible for any loss or damage that may occur; and it shall be a condition of entry that each exhibitor shall hold the Association harmless from any loss or accident.

8. Each exhibitor shall be responsible for any injury that may be occasioned to any person whomsoever by any horse exhibited; and each exhibitor shall indemnify the Association against all claims or demands of any kind or nature that may grow out of any injury occasioned by any horse exhibited, or arise from the negligence of the person in charge of such horse.

ADVANTAGES TO MANUFACTURERS.

1. **The attention of the Manufacturers of Canada is directed to the fact that with a view of encouraging them to exhibit at the Exhibition which opens on Friday, 13th September, the Board of Directors give FREE space and MOTIVE POWER to all exhibitors of Machinery and Agricultural Implements.**

2. The grounds and buildings generally have and will receive every attention during the year, and nothing left undone that could add to the comfort and convenience of exhibitors and visitors.

RAILWAYS, STEAMBOATS AND CUSTOMS.

3. Favorable arrangements will be made with all the Railroad and Steamboat companies for the conveyance of passengers and articles to and from the Exhibition, at greatly reduced rates, and for special excursions from all parts of the Dominion and the northern part of the United States.

4. Live stock and all other exhibits sent as freight (not by express) will be returned free, on the freight being paid one way, that is, to Ottawa, and upon producing a Certificate from the Secretary of the Exhibition that such exhibit has not changed hands but remains the property of the original owner.

5. Arrangements will also be made with the Customs Department for the admission of articles from foreign countries for exhibition, free of duty, the Exhibition buildings being considered Customs warehouse for that purpose.

6 All exhibits sent by express will be delivered on the grounds without extra charge by the Express Companies.

PAYMENT OF PRIZES.

7. The Treasurer will commence the paying of premiums on Saturday, 21st September, at 9 o'clock a.m.; afterwards at the office, 26 Sparks Street, Ottawa.

8. Exhibitors from a distance are particularly requested to apply for their premiums on the above date, or leave a written order with some person who will make application for the money; also a list of articles on which prizes have been awarded.

9. Applicants requesting by letter payment of premiums to which they are entitled, will be paid by cheque, payable in Ottawa, to their order.

10. **All persons to whom prizes are awarded must apply to the Secretary of the Association for payment thereof before the 15th of October of the year in which such prize is awarded; otherwise, all claims to such premium shall be forfeited.**

DIPLOMAS AND MEDALS.

11. Diplomas and Medals may be awarded in lieu of money prizes, as follows, subject to the approval of the Board of Directors:

For a first prize—Diploma.
" " of $25 and upwards—Gold Medal.
" " of $10 and upwards—Silver Medal.
" " of $5 and upwards—Bronze Medal.

12. Diplomas (Live Stock Department excepted) are awarded for the display, and must not be considered as a recognizance of the merits of the exhibit.

JUDGES AND JUDGING.

1. The Judges will be appointed by the Committee and Board of Directors previous to the Exhibition, and will receive a circular informing them of the fact, and when to report at the office on the grounds.

2. No person will be allowed to act as a Judge who is in any way interested in the articles to be examined.

3. Judges of live stock, poultry, agricultural and dairy products, cut flowers, fruit and vegetables, entered for the regular prizes, will meet in the Board Room at the Secretary's office on the grounds, presenting their circulars of appointment at the time mentioned thereon.

4. It is particularly requested that Judges will not enter into arguments with exhibitors as to the merits of their exhibits, and on no account are they to give reasons for their awards; and they are also particularly requested not to inform exhibitors as to the result of their judgments on articles for which prizes are not offered on the regular list until their recommendations have been approved by the Board.

5. *It is desired that all the Judges of each class go together to hand in their report, instead of sending it by any one of their number and to remain together until their book has been examined by the Secretary or his assistants, in order that cases of error or doubt may be more promptly and easily made right.*

6. Judges will please sign and hand in their lists of awards to the Secretary or his assistants as soon as possible, and make their more extended reports afterwards, making such recommendations as circumstances or their experience may suggest.

7. **Judges are requested to have the winner's name and address written upon the prize card, before placing same upon the animal or article to whom they have awarded the prize.**

8. **The Judges are particularly requested not to leave the grounds until they have ascertained from the Secretary that there are** no protests against the awards in the classes they have judged.

9. No animal deemed unworthy by the Judges shall be awarded a premium, but no prizes shall be withheld merely because there is no competition.

10. In addition to the stated premiums offered for articles enumerated in the list, the Judges are authorized to recommend premiums for such articles not enumerated as they may consider worthy, suggesting the amount of value of such premiums for the consideration of the Board of Directors. The Judges may also distinguish such animals or articles as they consider deserving of notice, but which have not received prizes, by tickets, with the words "Highly Commended" or "Commended" upon them. These tickets will not entitle the holder to any money payment.

11. Under "Extras" in any of the classes, when more than one entry of the same kind of article has been made, they will be judged as in competition for the first and second prize, the same as though they had been in regular sections, and when but one such entry has been made, the article, if worthy, shall be awarded a first or second prize. The judges, however, are instructed not to award prizes in either the "regular" or "extra" sections of any class, unless the article comes up to the desired "standard" of excellence.

12. No award of prizes for extras will be paid until sanctioned by the Board of Directors of the Association.

13. Each award must be written in a plain, careful manner, on the blank page opposite the number of the entry, with the name and number of the exhibitor.

14. Exhibitors can ascertain from the Superintendents of the several departments when judges may be expected to examine their animals or articles. No complaint or appeal based upon the statement that the judges have overlooked animals or articles will, therefore, be considered by the Directors.

15. An exhibitor lodging a protest must make it in **writing,** and it must be delivered to the Secretary or his assistant **within three hours of the cause of protest;** it must state plainly the cause of complaint or appeal, and must be accompanied by a deposit of $5, which sum shall be forfeited to the Association if said protest is not sustained. The Board of Directors, however, earnestly hope that exhibitors will not enter protests without the strongest ground for doing so, as much annoyance and unpleasantness is often occasioned by protests of a frivolous nature.

16. The Judges are expected, in the execution of their duties, to be careful to act with the most rigid impartiality, and make their entries in a clear and conspicuous manner; in all cases of doubt or difficulty, referring freely to the Secretary, or to the Committee of the Association in charge of the Department.

17. No animal or article exhibited shall have about it any prize colors or cards until the awards have been made in their respective classes.

18. **No person shall be permitted in the horse or cattle rings during the time of judging except the Judges, the grooms, or persons in charge of the animals, members of the Horse and Cattle Committees, and members of the Press.**

19. All prize cards which have been affixed by the Judges must be displayed during the Exhibition. Any infraction of this rule will incur the forfeit of any premium awarded

20. Any person who shall attempt to interfere with the Judges while in the discharge of their duties, or who shall at any time, on the premises of the Association, use any contemptuous or abusive language to a judge in consequence of any award made by him, shall forfeit his right to any premium to which he might otherwise be entitled, and shall be excluded from exhibiting for one year thereafter. Judges are particularly requested to immediately report any breach of this rule.

21. Upon the discovery of any fraud, deception or dishonest practice, either in the preparation, ownership or representation concerning any animal or article exhibited, which may have affected or have been intended to affect the decision of the Judge or Judges; or upon the discovery of any fraud or deception in making an entry or entries on the part of any exhibitor, the Board of Directors reserve the right to withhold the payment of any prizes awarded, and may prohibit any such party from exhibiting in any class for one or more years, and may also publish the names of such persons or not, as may be deemed the most expedient; and any prize or prizes so withheld shall be awarded as though such exhibitor or exhibitors had not shown or exhibited.

SPACE.

22. Applications for space in any of the buildings may be made at the same time as entry, or at any time up to September 11th, by persons who intend making special exhibits, either for prizes or exhibition purposes.

23. Intending exhibitors are requested, when sending in their entries, to state what size space they require.

24. When an allotment of space has been made to an exhibitor and he fails to artistically arrange and decorate his stand, make and maintain a creditable display, the Board of Directors reserve the right to declare the space forfeited forthwith, and to have such exhibits removed from the building.

25. Exhibitors desiring the privilege to sell, shall have the same granted upon condition of maintaining their display, and by paying a certain rental per foot frontage, or a bulk sum, according to the position occupied, and shall receive a receipt therefor, signed by the Secretary of the Association.

26 *All exhibits which have been regularly entered and space held for same must be in their place, and in space reserved therefor, not later than 6 o'clock p.m., on the second day of the Exhibition, otherwise such exhibitor or exhibitors will forfeit the right to such space, and will be called upon by the Association to pay twenty-five dollars ($25.00) as liquidated damages for breach of contract for non-adherence to this rule. This does not apply to live stock exhibits.*

MISCELLANEOUS

PENALTY FOR INJURING PROPERTY.

Any person who wilfully or maliciously injuries or destroys any property within the Exhibition Grounds, or who shall interfere with or hinder or obstruct the officers or servants of the Association, or any policeman or constable in the discharge of his or their duty, or gain admission to the grounds in a surreptitious manner and contrary to the rules of the Association, shall be liable to a fine of not less than one or more than twenty dollars. Said fine to be enforced and collected as fines are usually collected, and to be paid over to the Association for its use and benefit, and in default of payment the said offender shall be imprisoned in the common jail for a period of not less than thirty days. (See Section 115 of Agriculture and Arts Act.)

TO PROMOTE HARMONY AND ATTRACTIVENESS.

The Board of Directors reserve the right to prescribe and regulate all matters pertaining to the harmony and attractiveness of the Exhibition.

1. Cotton signs which obstruct the view and light are not permitted. Exhibitors are recommended to use banners, which are much more handsome and business like.

2. The arrangement of an exhibit, especially as regards height, must be such as will not obstruct light or view.

3. The wholesale distribution of handbills or other advertising matter that may cause a nuisance is not allowed. Neat cards or folders are far more effective and apt to be carried away by visitors.

FIRE, POLICE PROTECTION AND INSURANCE.

The Exhibition Grounds being connected by telephone, and a detachment of police and special constables being on duty night and day, as well as a corps of watchmen, the risk and probability of fire is reduced almost to a minimum. Notwithstanding all these precautions, the Association will not hold themselves responsible for any loss or damage by fire, theft or otherwise, and should exhibitors require their exhibits covered by insurance, they are required to give the matter their own personal attention.

ENQUIRIES.

Communications and enquiries pertaining to the Exhibition and its arrangements should be addressed to the Secretary, Mr. E. McMahon, 26 Sparks Street, Ottawa, Ont. Persons desirous to make enquiries in person can do so at the office, 26 Sparks Street (Russell House Block).

THE PRESS.

Members of the Press are cordially invited to the Exhibition. Ample accommodation will be provided for them, and all necessary information promptly furnished. Editors are requested to notify the Secretary two or three weeks previous to the Exhibition of the number of representatives they will have on duty, in order that tickets for them may be forwarded.

TELEGRAPH, EXPRESS AND POST OFFICE.

The Great North-Western Telegraph Co., Canadian Pacific Telegraph Co., and the Express Companies have offices on the grounds, and there is a post office, at which mails are received and despatched twice daily. The grounds are also connected with the City of Ottawa and other places throughout the province by telephone.

VISITORS.

Visitors may be assured of finding on the grounds everything necessary to the convenience and comfort of old and young, during the entire day. Ample restaurants and lunch rooms, managed by experienced caterers, and under the supervision of the Board of Directors as to price and quality of food, will serve meals and refreshments during hours of Exhibition, at reasonable rates. A baggage department for the deposit of satchels, cloaks, &c., and in charge of responsible parties, is conveniently located for the accommodation of visitors. The hotels and boarding houses of the city are ample for the occasion, and will adhere to their regular rates; and the city authorities will co-operate with the officers of the Association in every practicable manner to ensure the safety and contribute to the pleasure of visitors.

If your neighbors express a desire for a copy of the Prize List, send their addresses at once on a Post Card, and a copy will be mailed.

The Exhibition will be open to the public from Monday, September 16th, and will close on Saturday night, September 21st, at 11 p.m. No removals of exhibits will be allowed before Monday morning, September 23rd, (Live Stock excepted).

The gates will open at 7 o'clock a.m. of each day, and at that time every officer is requested to be at his post.

Send your entries early.

Be sure and enclose all fees with entries.

All visitors to the Exhibition are cordially invited to remain over and enjoy the evening entertainments, which will this year be novel and up-to-date.

HOW TO REACH THE GROUNDS.

The grounds cover a large acreage in extent, are the finest and the buildings are the most commodious in Central Canada.

The grounds are in close proximity to the Rideau Canal, to the south of the city. They are easy of access, and can be reached in a few moments by either the Ottawa Electric Railway from the railway stations and all central points of the city, or a line of steamers running on the canal, which land visitors on the grounds.

FINE ARTS AND INDUSTRIAL ARTS.

Entries close Wednesday, September 11th.

All entries received up to two weeks before opening date of Exhibition will be duly acknowledged Entries received later than that will not be acknowledged, owing to press of other business, but space will be provided as requested, and entry tickets will be held at the Exhibition office until called for. In case no space is available at time entry is made, prompt notification of that fact will be sent, and fee returned to sender.

Committee—L. F. Taylor (Vice-Chairman), F. M. Bell Smith, F. S. Challener, Dr. H. M. Ami, Alf. Day, F. A. Dixon.

All exhibits in this department to be delivered in the building, on or before Saturday, September 14th.

All exhibits in this department must be the production of the exhibitor.

Evidence of originality to be furnished by the exhibitor whenever required by the Judges or Committee.

No article will be awarded a money prize in the Fine Arts that has once been exhibited and taken first prize at a previous fair, but may show for a diploma; in such case it must be mentioned in the entry.

It does not follow that because a prize is offered for any particular article than it must be awarded, unless the exhibit is really of sufficient merit to warrant the award being made. The Judges are particularly requested to note this fact.

Persons who do not come with their exhibits may address them to the "Superintendent Department of Fine Arts, Exhibition Grounds, Ottawa," and notify the Secretary accordingly.

Entrance fee in each section 25 cents per entry of three articles or less. All the work must be original.
